

Sorors,

I am excited to offer an opportunity to chapters to showcase their many accomplishments in a winter newsletter to be posted on the Regional Zeta website.

Inclusion in our newsletter is easy. Please ensure that:

- **Your information is saved in Microsoft Word**
- **Pictures and images are in a jpeg/tiff format**
- **Your chapter name and location is included in your article**
- **The information is received by December 15, 2009**
- **Submissions are emailed to sczetanews@hotmail.com**

In our upcoming ninetieth (90th) year of service to our communities, it is a true blessing to know that Zetas are still in the business of "Making New Beginnings for Every Generation".

Most Sincerely,

Soror Vivian Kelley
